

'I think my child is being bullied'

As part of the PHSE curriculum, all children learn how to develop good relationships and make healthy decisions. They learn how to deal with conflict and how to ask for help. However, we know that at times, these conflicts can cause concern and remain unresolved or escalate. At times, you may become concerned that this means that your child is being bullied. At Shipbourne School, we take any allegations of bullying very seriously. If you have concerns that your child is being bullied, please do not hesitate to speak to us.
